

“In business, I believe in going step by step, slowly but surely. To seek out opportunities with good potential and build on them.”

- The late Tan Sri Lim Goh Tong, Founder of Genting Group

THE GENTING STORY

The multinational corporation known as the Genting Group of companies began from humble beginnings in 1965. A contractor who spoke no English, but only Hokkien, Mandarin, Malay and Cantonese, the late Tan Sri Lim Goh Tong built his business empire with simple principles: humility, discipline and conviction.

The self-proclaimed “Chinaman Businessman” was ahead of his time in many ways. He adopted environmental measures, built an integrated resort at Genting Highlands and executed his own succession plan in 2003, when he handed the chairmanship of the Genting Group to his son Tan Sri Lim Kok Thay.

Tan Sri Lim Kok Thay has since taken the company to greater heights with a successful overseas strategy. The Genting Group has won international awards for its management leadership, financial prudence and sound investment discipline. It is also a corporation that values its employees and gives back to the communities where it operates in.

GENTING SINGAPORE

For over 20 years, Genting Singapore PLC has been at the forefront of gaming and integrated resort development in Australia, the Americas, Malaysia, the Philippines and the United Kingdom. Today, it is best known for its flagship project Resorts World Sentosa, a S\$6.6 billion development in Singapore that has changed the tourism landscape of Southeast Asia.

Genting Singapore is listed on the Main Board of the Singapore Exchange Securities Trading Limited. Besides developing and managing large-scale integrated resorts, its main activities include IT application and international sales and marketing services, as well as casino operations.
